

The Pine School 9th Grade Florida Everglades & Keys Adventure

Dear Parent,

The 9th grade students will take an Off Campus Education trip to the Florida Everglades & Keys next year. The 4 night, 5 day trip includes fun and educational activities as well as a service project, allowing students to give back to the communities they visit.

The trip is scheduled from 3/9/2020 – 3/13/2020.. We are using the professional travel company Grand Classroom to plan every aspect of the trip. Visit the school webpage at www.grandclassroom.com, click “Find My Trip / Register” and search “The Pine School”.

For the price of \$1353 everything on the trip will be covered – all transportation, hotel accommodations, meals, sightseeing and evening activities as well as medical insurance.

As the class travels together, they grow and form lifelong relationships and memories which serve as critical components to the learning and growing process of these young adults. This simply cannot be replicated in the classroom.

If you have any questions, you can call the professionals at Grand Classroom at 434-975-2629, email me at tlitterick@thepineschool.org or call me at school at (772) 675-7005. I look forward to providing a fun and educational adventure that your child will remember for a lifetime!

Tamara Litterick
Trip Coordinator
