

## BEHAVIOR GUIDELINES

1. Curfew is 10:30 PM. Students may stay inside of their rooms after that point and socialize with roommates or watch television at a reasonable sound level. A security guard will be posted in the hallways to enforce the curfew. All ice, drinks and laundry should be done before this time. **Students should expect that they will be told to immediately return to their rooms if they come out in the hallway.** Talking back to the security guard or disobeying the security guard is a serious infraction that can result in expulsion from the trip. The behavior contract that the students sign covers such verbal infractions and will be enforced.
2. At no time should any person from outside the group be in a student room.
3. Students must remain under the supervision of the group leader at all times when touring.
4. Students must employ the buddy system during periods of free time with permission of the group leader. There is never a time when a student should be alone, and everyone should be carrying their emergency contact cards every day (provided by Grand Classroom) as well as a wristwatch.
5. Itinerary stops are not optional.
6. Housekeeping will generate room reports every morning. If any damage is done to the hotel room or if it is in disarray, the group leader will be informed immediately and will address the problem. Students are financially responsible for any damage done to hotels, transportation or tour stops while on the trip.
7. Students are responsible for keeping buses/vans free of trash. Please use garbage cans/bags and do not leave trash on or underneath the seats. In addition, the group will be eating outside for many meals. Students are responsible for throwing away all trash.
8. Students should not break any laws, including stealing, drug and alcohol use. Grand Classroom staff will cooperate with local authorities if needed and will send the student home during the trip if necessary at the family's expense.
9. Students are responsible for their own personal property including money.

*By signing the behavior contract, you agree to all of the behavior guidelines.*

## Behavior Contract

I, \_\_\_\_\_, (print student's name) understand that traveling with my classmates is a great opportunity and responsibility. As I travel with my peers, I agree to behave in a mature way at all times. I will abide all rules as set by my tour leaders. In addition, I will adhere to local laws. If I break the rules, as determined by my tour leader, I understand that I can be sent home before the end of the trip at the expense of my parent/guardian.

I have read the terms and conditions of travel (in the registration brochure or on [www.grandclassroom.com](http://www.grandclassroom.com)) and have read the Grand Classroom Behavior Guidelines sheet and agree to the terms.
